

Instructions on “How to PAY us if you don't have PayPal Account”

If you don't have a PayPal account, you still able to use PayPal to make payment, as follows:

1. From the email request that we have sent to you, **click Pay Now**

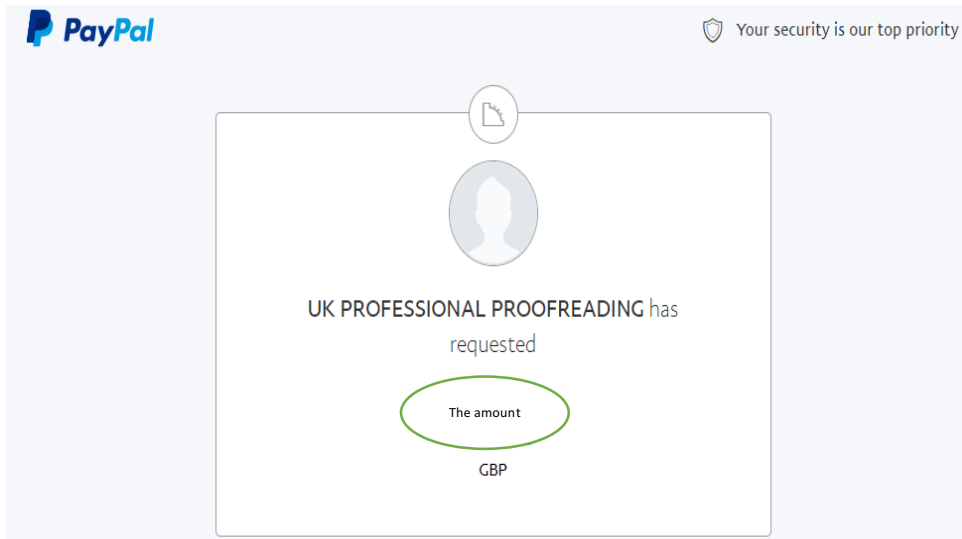

2. As soon as you click the Pay Now, new page will appear as the image below:

[Having trouble logging in?](#)

3. If you have a PayPal account, enter the Login details (Email address

and Password and carry on)

4. **If you don't** have a PayPal account, you will be able to click on **(Pay as a Guest)**
5. The new page will be shown with the details of the payment request.

6. Enter your Master Card/VISA details as requested and follow the instructions.

A screenshot of a PayPal payment form titled "Pay with debit or card". The form includes a dropdown menu for "Country of residence" set to "United States". Below this are icons for VISA, American Express, Mastercard, and Discover. The form contains several input fields: "Card number", "MM/YY", "CSC", "First name", "Last name", and "Mobile phone number". Under the heading "Billing address", there are fields for "Street address", "Apt., ste., bldg. (optional)", "City", "State" (a dropdown menu), and "ZIP code". At the bottom, there is a checked checkbox labeled "Ship to my billing address" and a blue "Continue" button.
